## CHECK BEFORE SUBMITTING

- Nomination of a Senator form (**EF059**) correctly filled in with all relevant questions answered.
- All nomination forms **signed** and **dated**.
- Qualification Checklist relating to section 44 of the Constitution completed with all mandatory questions answered.**
- Additional document(s) for candidate included** (if applicable, including any mandatory documents required under question 10a).
- For a group of unendorsed candidates, **form EF059-c signed by each candidate**.
- Candidate's **deposit** (\$2000 in cash or a cheque drawn by a bank or other financial institution on itself) is **enclosed**.
- Appointment of Candidate Agent form included** (if applicable).

If nominating as a group, each nomination form (59) for unendorsed candidates must be accompanied by one form EF059-e with 100 unique nominators for each candidate. The group of candidates must also complete form EF059-c.

If the candidate is an independent senator, elected as an unendorsed candidate at the previous election, and is not endorsed by a registered political party, the nomination form need only be signed by at least one other person entitled to vote at the election.

Information on this form is collected under the provisions of the *Commonwealth Electoral Act 1918* (CEA). For each candidate the AEC will publish candidate information, the qualification checklist, and any additional documentation provided by the candidate.

No responsibility will be taken for faxed nominations and no acknowledgement of receipt of faxes will be advised. The form may be sent by fax to the relevant Australian Electoral Officer (AEO). The time of receipt for faxed forms is the time when the message enters the relevant Australian Electoral Commission (AEC) fax machine memory and it is agreed that the AEC is not responsible for any deadlines missed or losses incurred. It is the responsibility of the candidate to ensure that both the fax and the required deposit are received by the AEO before the close of nominations.

For further information, please refer to the AEC website at [www.aec.gov.au](http://www.aec.gov.au) or call 13 23 26.

Giving false or misleading information is a serious offence.

### Support by 100 nominators

The AEC is required to verify that at least 100 of the persons listed as nominators are enrolled to vote at the election for which the candidate is nominated. For a Senate candidate the nominators must be enrolled in the State or Territory in which the nominee is a candidate.

To ensure that 100 electors entitled to vote at the election for which the candidate is nominated are provided, it is strongly suggested that additional nominators are provided to meet this requirement. It is also suggested that the nomination form be lodged with the AEC in sufficient time for additional nominators to be obtained, or other corrections made, should it be necessary.

The electoral roll is available for viewing in electronic format at AEC offices. Electors may verify their own enrolment details on the AEC's website at [www.aec.gov.au](http://www.aec.gov.au).

Nominators enrolled on the Commonwealth electoral roll as silent electors are not required to disclose their residential address on the nomination form.
