

Objection 13

Linda

1 page

I am against WA losing its Stirling seat in the Federal election.

Vince Connelly is a fantastic ambassador for the Stirling area. He has shown local awareness, empathy and support for the local community.

I am against the Stirling electorate amalgamating with another electorate as I believe we will lose our identity as well as our support for all matters within the Stirling area.

Furthermore we will fall behind the priority list of the other electorate preferences.

Regards

Linda
