Re: Mackellar Electorate

To whom it may concern,

I believe that we need to keep the electorate on the Northern Beaches and not include St Ives or the lower North Shore.

1. Extend boundaries south to include all of Dee Why and North Curl Curl
2. Extend boundaries south to include all of Dee Why, North Curl Curl and Curl Curl
3. Extend boundaries south to include all of Dee Why, North Curl Curl, Curl Curl and also bring in remaining sections of Beacon Hill and Narraweena to the south of Warringah Rd, so that the entire suburbs are within Mackellar.

Let's keep Mackellar on the beaches.

Kind regards,

Rowie Dillon
