Redistribution Committee for the ACT
Australian Electoral Commission

Dear Sirs

Please accept this submission for the naming of the new division in the 2017 Redistribution of ACT Federal seats.

May I again suggest that the new ACT Federal division is named after Walter Burley Griffin, the architect and designer of Canberra? This honour is an obvious and most appropriate choice and using a geographical name or similar would be a missed opportunity and a slight to the man for whom Canberra owes so much.

Yours sincerely
Dr Michael Hedger
