To the Redistribution Committee for South Australia,

I write to make suggestions to the South Australian Federal Redistribution currently being undertaken by the Australian Electoral Commission.

I am a constituent of the Federal Division of Mayo.

I do not believe that the Division of Mayo should be abolished in this redistribution process.

I know there are many practical reasons why Mayo shouldn't be abolished but I want to see it stay because for once we have a member who understands our needs and is willing to speak up on our behalf at all levels of government. Rebekha Sharkie has worked so hard on our behalf and brought back a level of interest and hope that we will lose if our region is absorbed into a metropolitan one.

I hope you will consider my submission, and that you will see fit to keep the Division of Mayo as one of the ten electoral divisions in South Australia.

Yours sincerely, FRANCES HANNA [Redacted]
