## **Supporting the proposal to rename the Gellibrand division Kirner.**

---

To whom it may concern,

I am writing to express my support for the proposal to rename the federal House of Representatives division Gellibrand to Kirner, after the late Joan Elizabeth Kirner AC.

This would be a fitting tribute to Victoria's first female Premier.

I would also like to express my support for the naming of Victoria's new division Hawke, after the late Robert James Lee Hawke, AC, GCL.

Finally, I would like to express my support for the renaming of one of Victoria's divisions Tucker, after the Aboriginal rights activist Margaret Lillardia Tucker MBE.

Kind Regards,

Timothy Weber
