I would like to suggest that the name for the new Victorian Division be called after Joan Child, AO who passed away in February 2013. I think it would be fitting to recognise Joan as well as being a Victorian MHR she was the first woman to be Speaker of the Australian House of Representatives. Joan was also a tireless advocate for women and children and in her later years was a much loved University of the 3rd Age (U3A) tutor in Australian Politics in Wonthaggi.
