THE NORTH SYDNEY FEDERAL ELECTORATE

This letter is to formally register my objection to the abolishing of the North Sydney Electorate.

I do not want the North Sydney electorate and my vote absorbed into surround areas. I have spent most of my life living in this area, it is 'home' and I have taken a keen interest in local and federal politics.

I feel I would lose this sense of place, and of my place in it, if my vote was bundled up with others with whom I do not feel the same connection, the same empathy. Over time a feeling of belonging has developed and of my contributions to the community (however slight they may be), I'm sure are felt and appreciated by others.

I want my vote to count for the benefit of my own local area.

Thank you,

Harry Partridge
