Comment on Objections 91

S.D. Holmes

1 page

Dear Sirs,

I feel obliged to object to the recent decision by the Electoral Commission to delete the seat of North Sydney. I concur with Objection #686 of Kylea Tink, and consider the decision by the Electoral Commission to be yet another example of structural corruption, whereby the system is designed to reinforce the status of the major parties to the detriment of the Australian Polity as a whole.

I would urge you to reconsider this decision as a matter of urgency.

S.D.Holmes
