To whom it may concern:

I am a resident of North Sydney. I wish to submit a comment relating to the proposed abolition of the North Sydney federal electorate. I strongly oppose this draft decision, and consider [Kylea Tink's Objection #OB686](#) to outline in a clear, compelling and comprehensive way (1) why the abolition of North Sydney does not make sense for our community for many reasons, and (2) why a superior alternative solution exists which meet the committee's objectives.

Yours faithfully
