

**THE FEDERAL
REDISTRIBUTION
NEW SOUTH WALES**

Objection 4

Fiona Hilary Henshaw

1 page

North Sydney has been an area with a highly educated population and an engaged electorate. The current candidate in North Sydney Kylea Tink has contributed greatly to parliament pushing for greater accountability and integrity in debate and behaviour in parliament in line with corporate expectations; fairer immigration policy, action on climate and HECS reform for young people. I would encourage consideration to maintain the area of North Sydney as an electoral area.
