Submission To Oppose The 2023-2024 New South Wales Federal Redistribution Of Bennelong

The draft plan is to remove Epping, North Epping, and Carlingford from Bennelong is considered not in best interests of Epping residents.

The proposal seeks to move North Epping and the Epping town centre into the federal electorate of Berowra (crossing the M2) and split Epping at Midson Road between Parramatta and Berowra.

Splitting the suburb of Epping across 2 federal electorates is not in the best community interests of Epping area residents. A single-seat representation of the Epping area is important to continue for strong community interest and in both state and federal representation.
