

**THE FEDERAL
REDISTRIBUTION
NEW SOUTH WALES**

Objection 55

Chris Lawrenson

1 page

To the AEC

Having been a resident in Bennelong for over forty years I do object to moving of Epping and North Epping into the Berowra electorate. While we are in the unfortunate position of being at the very end of one electorate and would then be at the very end of another we have a strong relationship with Bennelong that would take years to establish should we be unilaterally moved.

Yours Faithfully

Chris Lawrenson
