Date: 5 July 2024

Dear Sir/Madam:

North Sydney has been a federal seat since federation was formed. We work together and are like-minded people.

North Sydney is linked by our schools, hospitals, local shops and entertainment. Having a North Sydney federal representative is incredibly important specially as we expect so much growth in the electorate. We know the NSW State is expecting 5,900 new homes and North Sydney Council is projecting 19,500 new residents in the area by 2036. You have not taken these into consideration when you made your decision.

Abolishing the electorate will lead to disadvantage and lack of community cohesion as we will not have a united voice at a federal level.

I strongly oppose the draft proposal that the federal seat of North Sydney be abolished.

Sincerely
Nicole Stanmore
