CAUTION: This email originated from outside of the Australian Federal Government. Do not click links or open attachments unless you recognise the sender and know the content is safe.

As a resident and voter in North Sydney I am being bombarded with emails and flyers etc to object to the redistribution that would see NS abolished.

TO be clear neither I nor my wife see anything particularly special about North Sydney as an electorate and support whatever decision you have come to after what I imagine is a full and fair assessment.

People saying North Sydney as an electorate is something unique and special are 'gilding the lily' as they say.

thanks
