REDISTRIBUTION
NEW SOUTH WALES**

Objection 522

1 page

Having been a resident of Bennelong for most of my voting life I object to the proposed changes to locate North Epping in Berowra.

I have a much stronger association with community activities in Epping, Eastwood and Marsfield, than with the region of the present Berowra.

I object to splitting the suburb of Epping across 2 federal electorates, given the years of work to keep single-seat representation in the Epping Town Centre across the 3 levels of Government. The suburb of Epping has suffered in the past because it has been governed by 3 different local governments all with different ideas.

North Epping should remain as part of Bennelong.
