

**THE FEDERAL
REDISTRIBUTION
NEW SOUTH WALES**

Objection 685

Dear Redistribution Committee,

I write to object to the draft plans to abolish the federal seat of North Sydney in the proposed 2024 NSW redistribution and instead I support:

1. . Keeping the divisions of both Warringah and North Sydney, and
2. Zali Steggall and Kylea Tink's objections submissions to the proposed redistribution

I have been a resident of Manly/Queenscliff in the Federal seat of Warringah for 45 years and have developed deep connections to this beach-side community from Manly to Palm Beach.

The preferred plan, cuts away the Curl Curls and Dee Why , while adding North Sydney which to me is a distant unrelated region, politically, socially and even culturally.

More importantly to remove an electorate from Sydney for "population" reasons seems doomed to be a very temporary action. The NSW and Federal governments are working on ways to build tens of thousands of new homes in Sydney's 658 suburbs, AS A PRIORITY. Not to mention the larger than previous immigration targets - with Sydney being the premier destination.

The dislocation. expense and effort appear to be but busy work to me.

Thank you for listening

Regards

Stanley Buckman
