# Objection 737

Dear Redistribution Committee,

I write to object to the draft plans to abolish the federal seat of North Sydney in the proposed 2024 NSW redistribution and instead I support:

1. Keeping the divisions of both Warringah and North Sydney, and
2. Zali Steggall and Kylea Tink's objections submissions to the proposed redistribution

I live in Seaforth and have been based in the Northern Beaches for 15 years and have raised my children here. Since 2019, I have witnessed and participated in a remarkable revival of civic engagement in Warringah and North Sydney involving thousands of residents from diverse backgrounds and age groups. Many, like myself, are first-time participants in democratic processes. These communities have united, volunteering countless hours to support independent MPs who prioritize local interests and represent their communities. This community movement has instilled a strong sense of pride in residents belonging to both electorates.
