NSW redistribution submission:

If new electorate names are created I suggest Patyegarang.

She was a young Gamaraigal woman who taught the Gadigal language to coloniser William Dawes in the early 1800s.

Parts of her story can be read here <https://www.google.com/amp/s/amp.abc.net.au/article/12022646> and here <https://www.bangarra.com.au/productions/patyegarang>
