We strongly object to the abolition of the Federal seat of Higgins. We have been in this electorate since 1970 and want to keep our community united. We want one strong advocate and not have our representation divided amongst 5 Federal Members of Parliament. Abolishing Higgins will fragment our community representation in Canberra. Further more we are proud of our history as a seat of Prime Ministers and Treasurers.

We urge you to reconsider your decision,

Yours sincerely,

A M & M N Jabour
