Please record my cons and pros.

Pro: I have lived for 12 years in the fast-developing highrise precinct around South Yarra station. The needs of this high density community are nothing like anything else in Higgins. Our strata management issues are akin to Southbank and Docklands. So, extending the electorate of Melbourne to Williams Rd instead of Punt Rd South Yarra makes sense.

Con: However, I don't wish to be tied to The Greens, with their un-Australian flags and hate marches, who care only about a war on the other side of the world and stressing out my Jewish community. I would rather be in an electorate with a chance of getting major party representation.
