Good morning,

My name is Gregory Digiaris and I live [REDACTED] Malvern East.

I would like to object to the abolition of the seat of Higgins.

I do not agree with the reasoning of your proposal.

I believe that the current boundaries are

working well and offer great representation to the residents of the seat of Higgins.

Changing the boundaries to abolish Higgins will diminish the level and quality of our representation.

We have recently had a change of the political party and local member. We are quite competent in deciding what the best candidate is for our seat.

Why is it that now all of a sudden you are proposing to abolish our seat.

Kind regards

Gregory Digiaris
