I strongly object to the proposal to abolish the seat of Higgins. The elected candidates in this seat have always represented the electorate interests and made significant contributions to the government of the day. Furthermore, the proposed change would put me in the seat of Chisholm. In no way would this seat represent me in the way that Higgins has done. Geographically and demographically it bears no resemblance to my present seat. I do not believe that my issues and concerns will be adequately represented.

Yours sincerely

Sue Brink
