RE: ABOLITION OF THE SEAT OF HIGGINS

I wish to express my displeasure at the planned abolition of the seat of Higgins. At present the seat is within the City of Stonington boundary and should stay that way to maintain our local identity.

I do not want to part of another Electorate which is geographically separate from where we live and where we are represented so well

This is a historical seat, the seat of Australia's longest serving Prime Ministers and should remain for historical purposes.

Kindest regards,
