Bullwinkle

The objection,

1. Bullwinkle's contribution to nursing and POWs is grossly overstated by the AEC.
2. The naming guidelines of the AEC are discriminatory, naming after PMs first then anyone else and maybe, after an Aboriginal person.
3. The seat sits entirely on Noongar Aboriginal lands. It is actually unusually aligned to lands occupied by Noongar people for 60,000 years.
4. Yagan was a Noongar leader, he fought for his people and was shot in the back. There is a statue of him in Perth and Yagan Square in Perth CBD.
5. Yagan should be the name.

Bullwinkle please. Show some respect.

Professor Peter Hancock
